# DEVELOPMENT CAMP

## AGES 9-13

### THE LIVERPOOL WAY

Players learn the foundations of the LFC style of play in a fun footballing environment. Coaching focuses on a different LFC player each day, giving a true insight into what it takes to be a great player for the club. Innovative training sessions are tailored to age and ability with a focus on individual and group drills, small-sided games, skills challenges, and a weekly tournament.

Each player gets a one-to-one feedback session with their coach at the end of each week along with an individual report and certificate to take home. Players gain a better understanding of their game, whilst developing independence and self-confidence within an international football environment.

## AGES 14-17

### THE LIVERPOOL WAY

Coaches challenge players in high-intensity training sessions, which push them to improve technically and tactically. Each day, they focus on position-specific principles of the game with intensity at the core of every session. Players also have a chance to showcase their skills on the pitch with a competitive tournament at the end of the week.

Choose from two camp venues depending on dates and location - Repton School, which has been home to LFC Camps for 3 years and is also home to the development and goalkeeper camps, or Radley College, a new venue for 2024 close to Oxford and London. All players leave with a better understanding of how to improve their game and what it takes to play at the highest level.

# ENGLISH TEACHING

11

## Players choosing Football + English follow an English curriculum based on Liverpool Football Club each afternoon.

With an emphasis on verbal communication, teachers create a vibrant and engaging classroom where students build confidence to speak the language. Using a project-based approach to learning, students apply their language skills to real-world football scenarios such as coach interviews, debating a dream team and commentating on iconic LFC matches. English teachers and football coaches work closely together to ensure that

what is learnt in the classroom complements what is learnt on the pitch.

## How it works

Before camp, an online test is taken to assess students' vocabulary and grammar. On arrival, teachers speak to each student to assess their level and place them in the right class. English is spoken throughout the camp, creating an immersive English learning environment. At the end of each week, teachers complete progress reports for each student along with some advice on how to improve their English at home.

## What's included:

Up to 13 hours of English lessons per week

1:12 Teacher to student ratio (average)

Individual report to take home

# LFC WORKSHOPS

12

Off the pitch, players on the Football Focus option follow a series of interactive daily workshops, designed for their age group, giving them a better understanding of the on-field training.

Workshop examples:

## Match Analysis

Using video footage, players delve into the tactical and strategic side of Liverpool's game.

## Player Analysis

Coaches provide players with insight into the social and psychological attributes that contribute to success.

## Nutrition

Players learn how to fuel themselves and take away tips for optimal nutrition at home.
